

Applying to the Master of Science in Midwifery at McMaster University

Begin your journey with the Master of Science in Midwifery program in 3 steps:

1. **Review** the Program's requirements & eligibility criteria:
<https://midwiferymasters.mcmaster.ca/admissions/>
2. **Prepare** your application:
<https://midwiferymasters.mcmaster.ca/admissions/application-requirements/>
3. **Submit** your application online:
https://midwiferymasters.mcmaster.ca/admissions/submission_instructions/

Once you start your application, you will be able to save your progress at any time – allowing you to leave and come back to your application at any time. However, be mindful of the application deadline as you will not be able to submit your application once the deadline has passed.

If you have questions about the **Master of Science in Midwifery** Program, including eligibility, what to include in your application, etc., check out our Frequently Asked Questions page on our website <https://midwiferymasters.mcmaster.ca/about/frequently-asked-questions> or contact us at midwiferymasters@mcmaster.ca

If you have a **technical issue** with the online application system, please send an email to gradadm@mcmaster.ca and include details such as error messages, your applicant ID, and screen shots, if appropriate. You can also find information on the technical-side of the application on the School of Graduate Studies website: <https://gs.mcmaster.ca/how-to-apply/>

Using the Online Application System:

To start, you will need to go to our online application portal:

https://applygrad.mcmaster.ca/portal/start_your_app

At the top of the page, you will see a few checkboxes.

1. Select **May** as your start term, and
2. **Health Sciences** as your faculty.
3. Then click the **Filter** button.

The screenshot shows the McMaster University Graduate Studies application portal. At the top left is the McMaster University logo. To the right, it says "GRADUATE STUDIES". Below this is a maroon banner with the text "Welcome to McMaster! Are you ready to start a new beginning at our School of Graduate Studies?". Underneath, it asks "Please choose the admit term you would like to apply for:" and lists three options: "September", "January", and "May". The "May" option is selected and circled in orange with a "1" next to it. Below this is a "Filter by Faculty" section with checkboxes for "Business", "Engineering", "Health Sciences", "Humanities", "Interdisciplinary", "Science", and "Social Sciences". The "Health Sciences" checkbox is checked and circled in orange with a "2" next to it. At the bottom of this section is a "Filter" button, which is also circled in orange with a "3" next to it.

Scroll down the Midwifery program, and click on the **Apply Now** option next to the program stream you are interested in, either **Courses plus Capstone** or **Thesis**. You will be asked about full-time or part-time later.

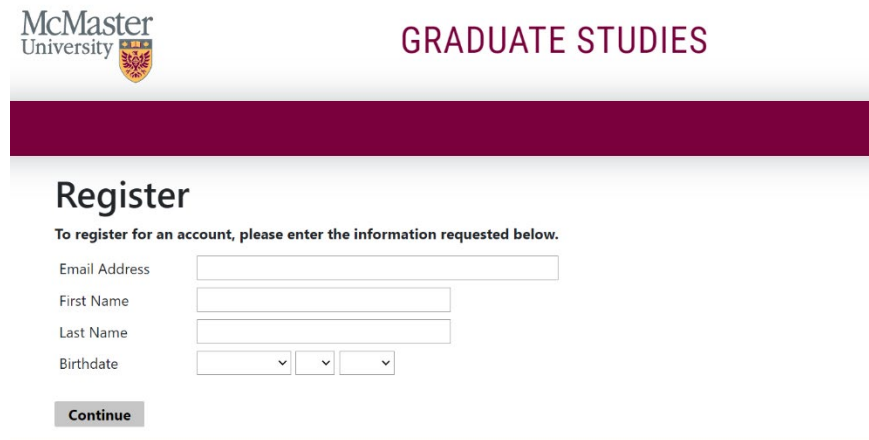

You will then be taken to a login screen. If you have already started an application, click the **login** button and jump to the **Start Your Application** instructions; if this is your first application to a graduate program at McMaster University this year, click the **Create an account** button and continue to the next step.

The screenshot shows the McMaster University Graduate Studies application portal. At the top left is the McMaster University logo. To the right, it says "GRADUATE STUDIES". Below this is a maroon banner with the text "Application Management". Underneath, there are two columns: "Returning users:" and "First-time users:". Under "Returning users:" is the text "Log in to continue an application." Under "First-time users:" is the text "Create an account to start a new application."

Create an Account

You will be taken to a registration page.

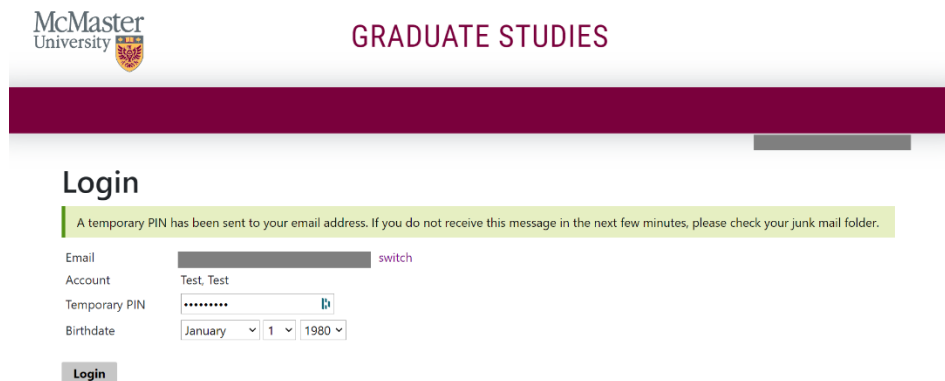

Enter your **Email Address**, **First Name**, **Last Name**, and **Birthdate**, and click the **Continue** button. If you do not have a **Last Name**, please enter a period (.) in the Last Name field.

The screenshot shows the 'Register' page of the McMaster University Graduate Studies portal. At the top left is the McMaster University logo, and at the top right is the text 'GRADUATE STUDIES'. Below a dark red header bar, the word 'Register' is displayed in a large, bold font. Underneath, a sub-header reads 'To register for an account, please enter the information requested below.' The form contains four input fields: 'Email Address' (a single text box), 'First Name' (a single text box), 'Last Name' (a single text box), and 'Birthdate' (three dropdown menus for month, day, and year). A 'Continue' button is located at the bottom of the form.

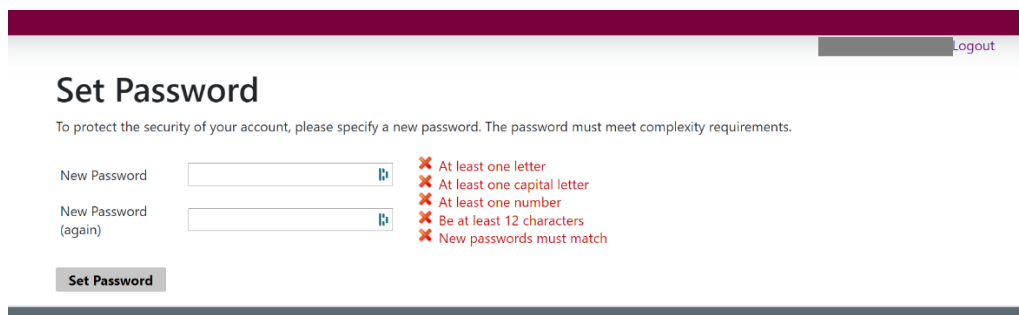

To confirm your account, you will receive an email with a **Temporary PIN** to the email address you provided in the previous step.

After you receive the email, enter the **PIN**, confirm your **Birthdate**, and click the **Login** button.

The screenshot shows the 'Login' page of the McMaster University Graduate Studies portal. At the top left is the McMaster University logo, and at the top right is the text 'GRADUATE STUDIES'. Below a dark red header bar, the word 'Login' is displayed in a large, bold font. A green notification bar states: 'A temporary PIN has been sent to your email address. If you do not receive this message in the next few minutes, please check your junk mail folder.' The form contains four input fields: 'Email' (a text box with a 'switch' link to its right), 'Account' (a text box containing 'Test, Test'), 'Temporary PIN' (a text box with a strength indicator icon), and 'Birthdate' (three dropdown menus for month, day, and year). A 'Login' button is located at the bottom of the form.

You will then be asked to set a password for your account. Create a password that meets the password requirements, and click the **Set Password** button. Keep this password safe; you will need it to access your application and check your application status after submitting it.

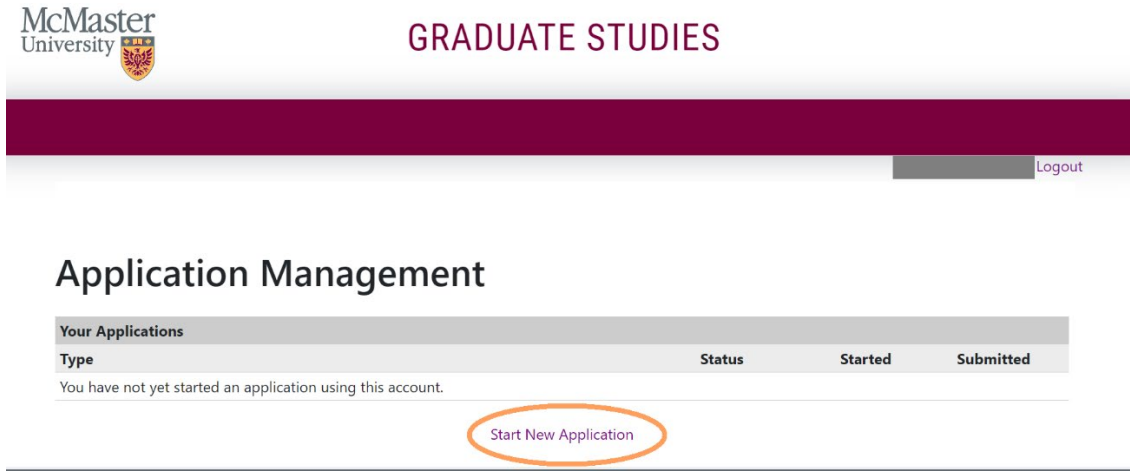

The screenshot shows the 'Set Password' page of the McMaster University Graduate Studies portal. At the top right, there is a 'Logout' link. The word 'Set Password' is displayed in a large, bold font. Below it, a sub-header reads: 'To protect the security of your account, please specify a new password. The password must meet complexity requirements.' The form contains two input fields: 'New Password' and 'New Password (again)'. To the right of these fields is a list of requirements, each preceded by a red 'X' icon: 'At least one letter', 'At least one capital letter', 'At least one number', 'Be at least 12 characters', and 'New passwords must match'. A 'Set Password' button is located at the bottom of the form.

Start A New Application

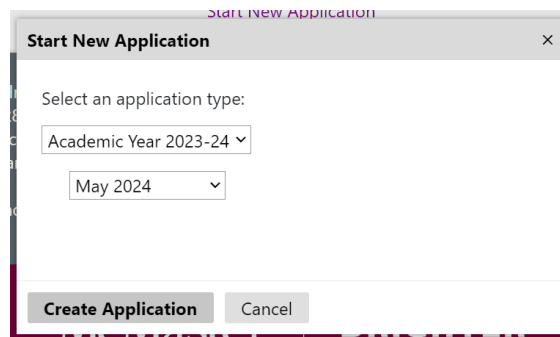

After creating a password or logging in to your existing account, you will be taken to the **Application Management** page, where you can start your application.

Click on **Start a New Application**

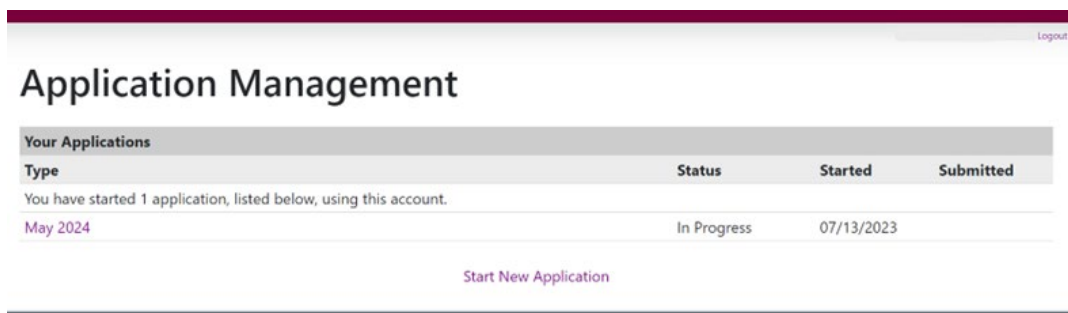

A window will pop up and ask you to select an application type.

1. Select **Academic Year 2022-23**,
2. Select **May 2023**, and
3. Click the **Create Application** button.

You will now see an in-progress application on the **Application Management** page.

Start Your Application

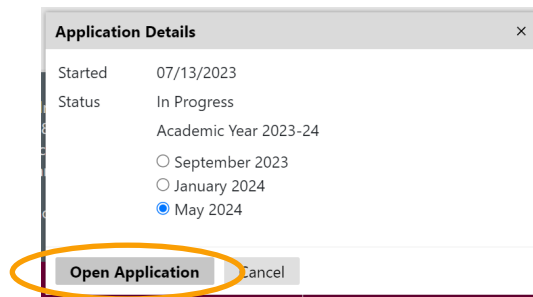

Congratulations, you have started your application for our May 2024 program.

Anytime you need to re-access your application, instead of using the link you used to create a new application (https://applygrad.mcmaster.ca/portal/start_your_app) please use the following link to prevent accidentally creating a new application:

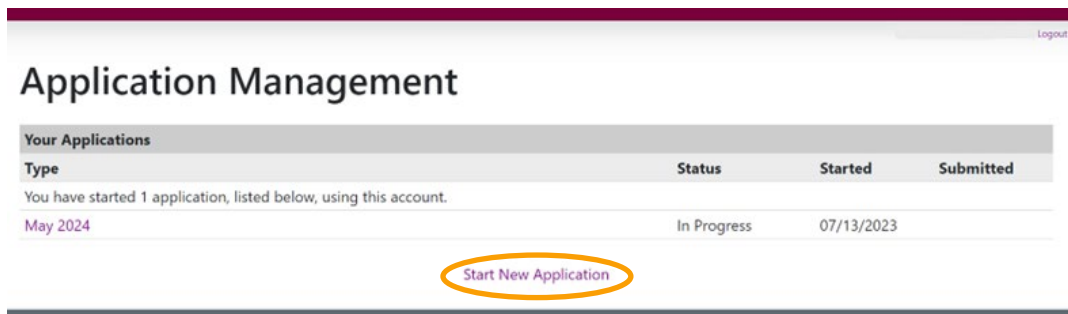

<https://applygrad.mcmaster.ca/apply/>

A window will pop up confirming that you are accessing your application.

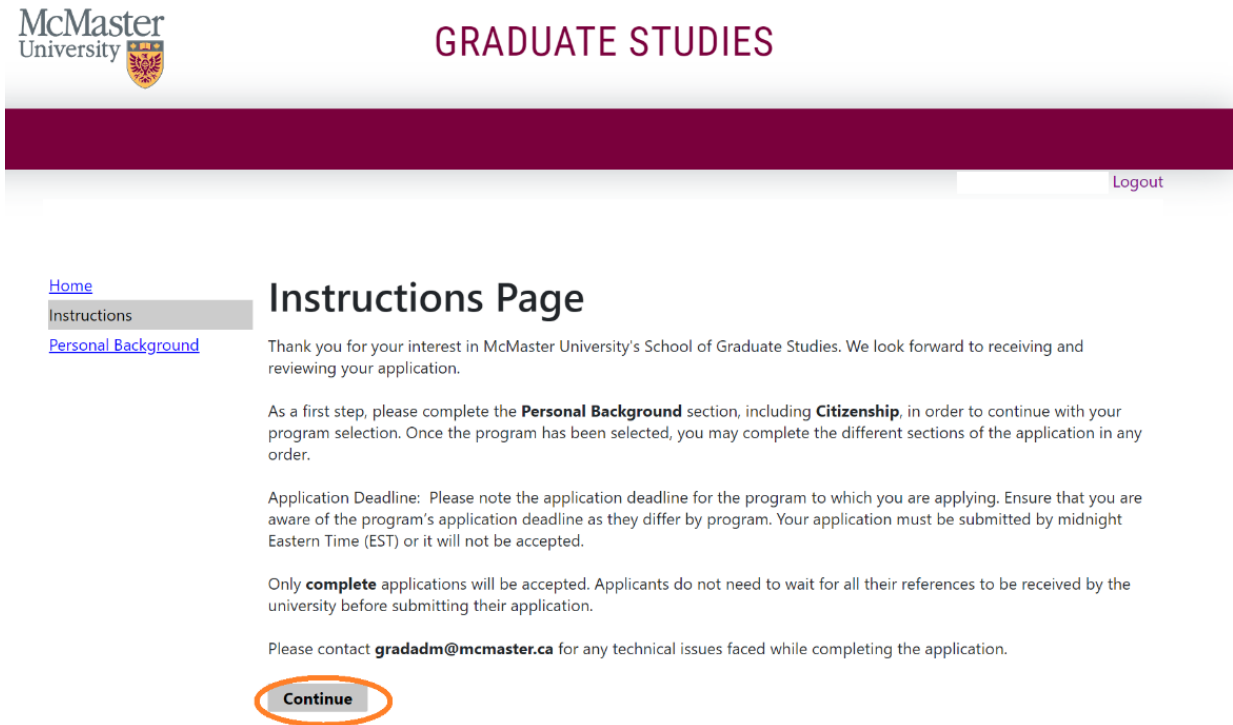

Click the **Open Application** button.

If the **Application Details** pop-up doesn't show up, click **May 2024** on your **Application Management** page, which will bring up the pop-up.

You are now inside your application.

After carefully reading the instructions on the **Instruction Page**, click the **Continue** button.

Before completing this section, be sure to review the 'References' information in 'How to Apply' instructions on the School of Graduate Studies [website](#).

The majority of our graduate programs require **TWO (2)** academic references. *Additional references will not be reviewed and may cause a delay in the evaluation of your application.*

- **Clinical References** - Some of our graduate programs require clinical references.
- **Professional References** - Some of our graduate programs require professional references
- **Professional Reference in lieu of Academic** - Not all programs will accept a professional reference in lieu of an academic reference.

NOTE: Failing to select the correct reference types **will** delay the evaluation of your application. To be sure what type of references you require, please [review program requirements](#).

You will be required to indicate an email address for each referee. Your referees will receive an email message asking them to complete an eReference immediately after the 'Send to Recommender' button is clicked. You may wish to click on this button just before you submit the application.

If you need to change your reference or referee email address **after** submitting your application, you may do so through the Application Status Portal.

Declaration

In compliance with the McMaster University Act, 1976, and by applying to McMaster or by enrolling in a program at the University, students expressly acknowledge and agree that the collection, retention, use and disclosure of relevant personal information is necessary for McMaster University to:

- a. Establish a record of the student's performance in programs and courses;
- b. To assist the University in the academic and financial administration of its affairs;
- c. To provide the basis for awards and government funding; and
- d. To establish the student's status as a member of relevant student governmental organization.

Similarly, and in compliance with McMaster University's access to information and protection of privacy policies and Canadian and Ontario privacy laws, the University provides personal information to:

- a. The Canadian and Ontario government for the purposes of reporting purposes; and
- b. To appropriate student government organizations for the purposes of allowing such organizations to communicate with its membership and providing student government-related services consistent with the enrolment by a student at the University.

By applying and/or enrolling at McMaster University the student expressly consents to this collection, retention, use and disclosure of such personal information in this manner. Questions regarding the collection or use of personal information should be directed to the University Secretary, Gilmour Hall, Room 210, McMaster University.

In place of your signature, please type your full legal name:

STEP 2:
Prepare Your
Application

Applying to the Master of Science in Midwifery

Required Information and Documents Checklist

Use this checklist to prepare, collect, and organize the information and documents required for your application.

A statement of interest

In responding to specific questions [outlined on our website](#), **your statement of interest** should describe how your **personal experiences have prepared you for this degree**. You should also identify your specific area of interest to provide insight into your **motivation and interest** in the Master of Science in Midwifery degree program.

Your statement should be no longer than 1250 words and uploaded as a PDF (.pdf) file.

A resume/curriculum vitae (CV)

Applicants will be asked to provide an up-to-date resume or CV demonstrating the program's midwifery experience requirement: a **minimum of two years of full-time (or equivalent part-time) clinical experience** as a practicing midwife.

Your resume should be uploaded as a PDF (.pdf) file.

Three references

Applicants must provide the names and contact information of **two (2) academic and one (1) professional recommender** in their online application. Consider preparing the name, position, organization, relationship (to you), and email address for each recommender before starting your online application.

Academic history and transcripts

Prepare a list of and collect academic transcripts from all post-secondary institutions you have attended, even if a degree/diploma was not issued.

Your list should note the name of the institution; the county, city, and province/state of the institution; the dates attended (month & year, if possible); the level of study (undergraduate, graduate, etc.); and, if awarded, the name of the diploma/degree. You will be asked to enter this information directly into the application.

Transcripts should be uploaded as a PDF (.pdf) file. Transcripts in a language other than English must also include an official translation completed by an official translator.

Program-specific questions

There are **three short-answer questions** inside the online application. You can preview these questions [on our website](#). Consider preparing your responses before starting your online application.

Each answer should be no more than 200 words.

English language proficiency

Applicants whose primary language is not English will be required to provide evidence of English language proficiency. [Our website](#) details the types of evidence accepted.

THESIS-STREAM APPLICANTS ONLY

A sample of academic writing

Collect an academic writing sample, such as a **research paper or thesis** from when you were a student. It could also be something you have published, like an **article in a journal or a chapter in a book**. You could also use a piece of professional writing, such as **clinical guidelines** for your practice. This should be uploaded as a PDF (.pdf) file.

For more information about the documents and details required for your application, visit the [Application Requirements & Preparing Your Application](#) page on our website or [Contact Us](#).
